

LEDGER BENNETT

Vice President of Finance

Chicago, Illinois, United States

Are you searching for your dream job? Here at Ledger Bennett, we strive to help our employees find passion and purpose. Join us in changing the way the world works.

Ledger Bennett are looking for an experienced Vice President of Finance to join our team in Chicago.

What will my new role involve?

As we strive to productize our services and capabilities, we require an experienced Vice President of Finance to drive the commercial modelling and efficient operational delivery of our services. Serving as the financial adviser to the MD and CEO, you will develop the annual operating budgets for new and existing services and products.

Ledger Bennett has 60% of the capability to deliver these services albeit in legacy teams that are used to operating in a digital marketing agency environment. We are looking for an experienced VP Finance to redesign our finance function to one that is focused on adding commercial value and reducing administrative tasks to a minimum across the business. In doing so you will be instrumental in Ledger Bennett's ability to monetize the remaining 40% of the capability we require in line with the MD and CEO's vision.

Working closely with the VP of Product Design, Head of Operations and the VP of Sales and Marketing, you will ensure our products and services are profitable and that the sale and delivery of them is scalable in all markets. You will be supported by a Senior Finance Manager in the UK who is responsible for cash management, all administrative finance functions, payroll, client contract management and operational accountancy and budget management.

Working closely with the VP of Talent and Workstyle, you will instil a culture of productivity and negotiation across the business that drives profit margin gain.

Your responsibilities will include:

- Creating commercial models that enable us to achieve our growth plans
- Instilling a philosophy of productivity into our DNA
- Operational budget development
- Instilling a culture of negotiation so our business always wins

Our ideal Vice President of Finance

If you are passionate about building a business that is lean and agile and want to join a dynamic senior team that is transforming a legacy business into a global player in our industry, this is the perfect role for you. To be considered for this role, you will have the following skills and experience:

- 5+ years of senior finance role experience in a global business
- Relevant accountancy/finance qualifications
- Experience in preparing a business for M&A
- Excellent communication skills with internal and external stakeholders to represent the company professionally
- Initiative and determination to see a project through from start to finish
- Excellent client-facing and internal communication skills
- Excellent written and verbal communication skills
- Strong working knowledge of Microsoft Office
- Able to work with tact and confidentiality with senior decisions making teams

What can we offer you?

As our Vice President of Finance you will be entitled to a **highly competitive salary** plus a range of benefits including:

- Health Insurance with Vision and Dental
- Company Wellness plan with Class Pass matching
- Flexible working style
- Life Insurance Plan & Life Assurance Scheme
- Personal development & Commuter Benefits scheme

Why work for Ledger Bennett?

At Ledger Bennett you will implement best-in-class marketing solutions and adopt new and emerging technologies.

We are a well-established business of experienced digital marketing professionals working in global teams to deliver data driven solutions to complex marketing, sales and customer success problems.

We are growing rapidly with new offices in London, San Francisco and Chicago established in 2017. Joining us now you will be part of a fast paced and innovative agency and will have a chance to be a key part of this growth.
